Hi Hugh and Betsy,

I am off to New Zealand on Monday. I hope it doesn't snow - if it does - I won't know what to do.

Happy New Year! I hope the new year brings happiness and good fortune.

I will be back the 29th. A week's visit is long enough - maybe too long?

Hi Betsy,

Yes, this is late! Better late than never?

It was a nice visit in NZ. some of the days were glorious - around °80. But the NZ newspaper headlines talked about "scorchers". Very revealing about what they think is a scorcher! I wonder what they would think of a 95° day with 90% humidity?

Happy New Year to you. We will have to get together sometime.

Alma

Dear Aunt Betsy,

I think of you often and hope you are well. Every thing is good with us, and a very full life, of course! Conrad is a junior in H.S., so we are starting to think about Colleges. He wants a big Southern University!?!! John Angelo starts high school next year - how is that possible?! ESPN rolls on at breakneck speed, and I am happy and trying to keep everyone going!

Much love,
Katie

BELLEFONTE HIGH SCHOOL

CLASS OF 1950

ALMA MATER

Alma Mater, Thee we honor,

Thee we praise with lofty song;

Proudly stand upon thy threshold,

We thy sons and daughters strong.

Alma Mater, teach us faith;

Teach us truth and loyalty.

Grant us wisdom, give us knowledge,

Fairest school, all hail to thee.

Alma Mater,

May we ever fight the fight

Of wrong and right

With thy banner streaming o'er us,

Rippling streams of red and white.

Thank you All for coming!

A Friend hears the song in my heart and sings it to me

When my memory fails....

"We Remember"

Sometimes as human beings we wonder where

we came from, why we are here,

or where we might go after death,

--yet we still laugh, cry, feel and love.

It is with all these emotions

The class of 1950 remembers!
